NUMAX
Marine

**The Deep Cycle –
Deep Sea Battery**

Built to be relied upon

NUMAX

New Technology . . . New Brand

- ■ **Advanced semi-traction technology**
- ■ **Original Equipment Specification**
- ■ **Dual purpose Engine Start & Auxiliary Capability**
- ■ **2 year full warranty**
- ■ **Thicker grids for longer life**

Experience the Power of NUMAX

NUMAX
Marine Batteries

CURRENT CALCULATIONS FOR CONTINUOUS POWER

Load (Watts) ÷ Voltage (Volts) = Current (Amps)
Current x Time (Hrs) = Capacity needed (Ah)
Then add 25% on to Ah Capacity for reserve.

For example:
Lights (57Watts) + Echo Sounder (5 Watts) + Cabin Lights (8 Watts) + TV (B&W 50 Watts) = 120 Watts.
120 Watts ÷ 12 Volts = 10 Amps

For 6 hours = 60 Amps
Then add 25% = 75 Ah

BATTERY CARE FOR LONGER LIFE

- **Always keep your battery fully charged, even when not in use.**
- **Keep terminals and lid clean, dry and free from dust. Coat terminals with petroleum jelly.**
- **Check electrolyte levels. If required, top up only with deionised water.**
- **When in use make sure the battery is secure and the compartment ventilated.**

Remember: This battery contains sulphuric acid which is corrosive. Keep away from clothing and out of reach of children.

CHARGING FOR YOUR SAFETY

- **When charging always ensure there is proper ventilation.**
- **Check polarity is correct before connecting.**
- **Disconnect earth lead first and reconnect earth lead last.**
- **Switch off charger at mains before disconnecting battery.**
- **Keep sparks, naked flames, lit cigarettes and metal watch straps away from the battery at all times.**
- **Do not charge batteries contaminated with salt water, as this can give off poisonous fumes.**

Remember: A battery left in a discharged state deteriorates quicker and may not regain full capacity.

GUARANTEE FOR PEACE OF MIND

- **Numax Marine batteries are guaranteed against faulty workmanship or materials for two years from date of purchase.**
- **Receipt for proof of purchase may be required.**
- **The guarantee does not include faults due to Negligence or abuse or incorrect or non recommended fitment.**
- **This guarantee does not affect your statutory rights.**
